DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Hanlon on September 9, 2004.

The application has been amended as follows:

On Claim 1, Lines 2, 5 and 8, change "component" to --socket--.

On Claim 4, Lines 2 and 5, change "component" to --socket--.

On Claim 5, Lines 2 and 5, change "component" to --socket--.

On Claim 8, Lines 2, 6 and 9, change "component" to --socket--.

On Claim 10, Lines 2, 4, 7 and 14, change "component" to --socket--.

On Claim 17, Lines 1, 4, and 7, change "component" to --socket--.

On Claim 18, Lines 1, 5 and 8, change "component" to --socket--.

On Claim 19, Lines 2, 4 and 16, change "component" to --socket--.

Allowable Subject Matter

2. Claims 4-5, 8-13 and 17-19 are allowed for the reasons stated in the Office Action of April 7, 2004.

3. Claims 1, 6-7 and 14-16 are allowed.

The references fail to teach, disclose, or suggest, either alone or in combination, the apparatus being mountable to an electrical socket and at least one aperture formed between the cover and the end of the housing permitting gas flow from an interior of the housing externally of the cover and in combination with the rest of the limitations of the base claim.

Applicant's arguments (Pages 8-11) regarding the Pruehs et al. and Williams et al. references are deemed persuasive. The Examiner also clarifies that the term "electrical service apparatus" has being interpreted in light of the Specification and the Drawings as being a watt-hour meter.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
